

Jump Start: VCE Chemistry, Jenny Sharwood, Cengage Learning Australia, 2008, 017013735X, 9780170137355, . Jumpstart Chemistry is a bridging book, aimed at students who are entering VCE Chemistry Units 3 & 4 and are keen to revise their Unit 1 & 2 content. Jumpstart Chemistry covers all the essential content and skills out of Units 1 & 2 that students must know or understand to successfully complete Units 3 & 4. It can also be used throughout the year as revision material. Jumpstart Chemistry is designed so that students can use it independently. For example, students may choose to use it over the summer holidays between year 11 and 12 in preparation for the demanding final VCE year. The book offers students a combination of theory and revision contained in double-page spreads. Within this format, students can immediately test their understanding of theory (on the left-hand page) by answering the questions (on the right-hand page). Key Features • The material within each section is covered in discrete double-page spreads, with theory on the left-hand side and questions and write-on answer space on the right. • Jumpstart Chemistry is a full-colour write on theory/workbook. Each section contains a glossary of key terms. Students can access answers on www.nelsonjumpstart.com.au. This book has been designed to give students in achieving their best possible score in VCE Chemistry..
